

PROGRAM OBJECTIVE

The goal of *Sleep Clinics of North America* is to keep practicing physicians up to date with current clinical practice by providing timely articles reviewing the state of the art in patient care.

TARGET AUDIENCE

All practicing physicians and other healthcare professionals.

LEARNING OBJECTIVES

Upon completion of this activity, participants will be able to:

1. Review the challenges associated with treating sleep disordered breathing.
2. Discuss the efficacy of novel surgical and pharmacologic therapies for obstructive sleep apnea.
3. Recognize new approaches to the treatment of central sleep apnea.

ACCREDITATION

The Elsevier Office of Continuing Medical Education (EOCME) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The EOCME designates this enduring material for a maximum of 15 *AMA PRA Category 1 Credit(s)*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

All other health care professionals requesting continuing education credit for this enduring material will be issued a certificate of participation.

DISCLOSURE OF CONFLICTS OF INTEREST

The EOCME assesses conflict of interest with its instructors, faculty, planners, and other individuals who are in a position to control the content of CME activities. All relevant conflicts of interest that are identified are thoroughly vetted by EOCME for fair balance, scientific objectivity, and patient care recommendations. EOCME is committed to providing its learners with CME activities that promote improvements or quality in healthcare and not a specific proprietary business or a commercial interest.

The planning committee, staff, authors and editors listed below have identified no financial relationships or relationships to products or devices they or their spouse/life partner have with commercial interest related to the content of this CME activity:

Rohit Budhiraja, MD; Anjali Fortna; Neil Freedman, MD; Alex Gileles-Hillel, MD; David Gozal, MD, MBA; Dennis Hwang, MD; Abdelnaby Khalyfa, PhD; Matthew Kim, MD; Tomasz J. Kuźniar, MD, PhD, FCCP, FAASM; Atul Malhotra, MD; Patrick Manley; Todd D. Morgan, DMD; Robert L. Owens, MD; Susan Redline, MD, MPH; Scott A. Sands, PhD; Erin Scheckenbach; Ronaldo A. Sevilla Berrios, MD; Rajakumar Venkatesan.

The planning committee, staff, authors and editors listed below have identified financial relationships or relationships to products or devices they or their spouse/life partner have with commercial interest related to the content of this CME activity:

Peter C. Gay, MD has research support from Fisher & Paykel Appliances Limited.

Robin Germany, MD has an employment affiliation with Respicardia, Inc.

UNAPPROVED/OFF-LABEL USE DISCLOSURE

The EOCME requires CME faculty to disclose to the participants:

1. When products or procedures being discussed are off-label, unlabelled, experimental, and/or investigational (not US Food and Drug Administration [FDA] approved); and
2. Any limitations on the information presented, such as data that are preliminary or that represent ongoing research, interim analyses, and/or unsupported opinions. Faculty may discuss information about pharmaceutical agents that is outside of FDA-approved labelling. This information is intended solely for CME and is not intended to promote off-label use of these

medications. If you have any questions, contact the medical affairs department of the manufacturer for the most recent prescribing information.

TO ENROLL

To enroll in the Sleep Medicines Clinic Continuing Medical Education program, call customer service at 1-800-654-2452 or sign up online at <http://www.theclinics.com/home/cme>. The CME program is available to subscribers for an additional annual fee of USD \$140.

METHOD OF PARTICIPATION

In order to claim credit, participants must complete the following:

1. Complete enrolment as indicated above.
2. Read the activity.
3. Complete the CME Test and Evaluation. Participants must achieve a score of 70% on the test. All CME Tests and Evaluations must be completed online.
